### Satisfactory Academic Progress Policy (SAP)

Urban Barber College's Satisfactory Academic Progress is consistently applied to **all** students enrolled at the school, regardless of their class schedule. This policy is provided to all students prior to enrollment by printing in the school catalog. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education. Urban Barber College's Satisfactory Academic Progress Policy includes both quantitative (attendance) and qualitative (academic performance) elements that are evaluated on a cumulative basis, as explained in the policy.

### Evaluation Periods

The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course. Evaluations will be performed on **actual hours**. The chart below details the evaluation points applicable to each program:

| <b>Program</b>          | <b>Course Length</b> | <b>Evaluation Points</b>  |
|-------------------------|----------------------|---|
| <b>Barbering</b>        | 1000 Clock hours     | 450 actual hours & 13 weeks<br>and<br>900 actual hours & 26 weeks |
| <b>Barber Crossover</b> | 200 clock Hours      | 100 actual hours &<br>3 weeks                                     |

\*The institution operates all programs according to a schedule of 900 hours & 26 weeks of instruction.

**Attendance Progress**

For a student to be deemed making satisfactory attendance progress (quantitative), the student must maintain a minimum attendance average of 67%. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued (clocked by the student), by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame of one and one-half (1 1/2) times the length of the course.

**Qualitative Progress**

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic (qualitative) learning. Students are assigned both academic learning (written exams) and a number of practical evaluations. Academic learning is evaluated during each unit of study, using class quizzes, written exams and practical tests. Practical skills are evaluated according to course rubrics adopted by the school and provided to students. Students must maintain a cumulative academic grade average of 70% to maintain satisfactory academic progress. **Students may make up failed or missed tests and incomplete assignments, in accordance with the school’s published policy for Scheduling and Grading, Make-Up Work, Incomplete’s and Repetitions.** A student’s grade point average is determined by a combined average of all practical and written examinations. Individual student academic records are kept by the school. Students will be notified of any evaluation that impacts their financial aid eligibility, *if applicable*.

**Maximum Time Frame**

Students are required to complete the program and/or course within 150% of the published program length. The maximum time frame permitted for transfer students who need less than the full course length will be determined based on the number of scheduled contracted hours. Any student who has exhausted the maximum time frame will be dropped from the program and may elect to re-enroll on a cash pay basis in a manner consistent with the school’s admissions policy. VA benefits are paid based on the approved program length of 1000 or 200 hours only.

| <b>Barbering / Styling<br/>1000 Clock Hours</b>      | <b>Maximum Weeks<br/>150%</b> | <b>Maximum Hours</b> |

| <b>BARBER CROSSOVER</b><br>25 hours/week<br>8 weeks total | 12 | 300 hours |

### Grading System

Students are graded by using a grading system of 0 to 100 points. Students are evaluated regularly on the practical and theoretical work. The system below is the grading system utilized in the institution.

|               |              |
|---------------|--------------|
| 90% - 100%    | Excellent    |
| 80% - 89%     | Very Good    |
| 70% - 79%     | Satisfactory |
| 69% and Below | Failing      |

Students on Financial Aid Warning may continue to receive Title IV funding, *if applicable*, until the next scheduled evaluation. Students must meet the minimum requirements for attendance **and** academics by the next scheduled evaluation, to be deemed making Satisfactory Academic Progress.

### Academic Progress Status

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Urban Barber College does not allow for the status of probation. Students receiving Title IV Aid or VA educational benefits may have their benefits discontinued if the student fails to meet Satisfactory Academic Progress minimum requirements, *if applicable*.

### Return of Title IV Funds (R2T4)

The Federal Return of Title IV funds formula (R2T4) dictates the amount of Federal Title IV aid that must be returned to the federal government by the school and/or the student. The federal formula is applicable to an eligible student receiving federal aid when that student withdraws at any point during the payment period.

If a student did not start or begin attendance at the school, the R2T4 formula does not apply.

Official Withdrawal Process: If a student wishes to withdraw from school, they must notify the Director of the school. The notification may be in writing or orally. The date the notification is

received is the date of determination. **Urban Barber College's** IV Administrator must begin the withdrawal process.

For unofficial withdrawals a student's withdrawal date at a school that is required to take attendance is their last day of physical attendance. Their date of determination is 14 days after they cease attendance.

The federal formula requires a Return of Title IV calculation if the student received or could have received (based on eligibility criteria) federal financial assistance in the form of Pell Grants, Direct Loans or Direct PLUS Loans, during the payment period. The percentage of Title IV aid earned is equal to the percentage of the payment period that was completed as of the withdrawal date if this occurs on or before the 60% point of time. After the 60% point of the payment period (or period of enrollment depending on what your school uses) the student is considered to have earned 100% of the aid for the period. The percentage that has not been earned is calculated by subtracting the percentage of Title IV aid earned from 100%.

The percentage of the payment period completed is calculated by the hours scheduled in the payment period as of the withdrawal date divided by the scheduled hours in the payment period.

The amount to be returned is calculated by subtracting the amount of Title IV assistance earned from the amount of Title IV aid that was or could have been disbursed as of the withdrawal date.

If a student receives less Title IV funds than the amount earned, the school will offer the student a disbursement of the earned aid that was not received at the time of their withdrawal which is called a post-withdrawal disbursement. Post-withdrawal disbursements will be made from Pell Grant funds first, if the student is eligible. If there are current educational costs still due the school at the time of withdrawal, a Pell Grant post-withdrawal disbursement will be credited to the student's account. Any remaining Pell funds must be released to the student without the student having to take any action. The funds must be released as soon as possible but no more than 45 days after the date of determination.

Post-withdrawal Direct Loan funds will be offered to the student within 30 days, allowing the student at least 14 days to respond, letting the institution know whether they still want to borrow those funds or not. The Direct Loan funds must be applied to the student account first, and any resulting credit balance is disbursed to the student no later than 14 days after the calculation of the R2T4.

Any federal loan program funds due in a post-withdrawal disbursement must be offered to the student and the school must receive the student's authorization before crediting their account.

If a credit balance still exists on the student's account after the R2T4 and institutional refund calculations are done, that credit balance must be used to pay any grant overpayment that exists based on the current withdrawal within 14 days from the date that the R2T4 (calculation was performed). The overpayment must be eliminated prior to offering a credit balance to a student.

The following Title IV return distribution is used for all FSA students.

1. Unsubsidized Direct Loan
2. Subsidized Direct Loan
3. Direct PLUS Loan (Parent)
4. Federal Pell Grant

Returns must be made as soon as possible to the federal programs but no later than 45 days after the date of determination.

The law requires that a student is responsible for all unearned Title IV program assistance that the school is not required to return. This is determined by subtracting the amount returned by the school from the total amount of unearned Title IV funds to be returned.

### **Student Tuition Recovery Fund (STRF)**

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program. It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market Blvd., Ste. 225, Sacramento, CA 95834, (916) 574-8900 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.

6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law. However, no claim can be paid to any student without a social security number or a taxpayer identification number.

**Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market Blvd., Ste. 225, Sacramento, CA 95834, (916) 574-8900 or (888) 370-7589.**
